Letter from the VP:

Hello shooters!

Some very important items have come to my attention that warrant a special newsletter. I apologize for the 'extra' one this month, but it is for some events that were severely under-advertised.

Sincerely,

Bowen Udall
Vice President
Northeastern Arizona Sportsman's Association, Inc.

First Shots:

We had a HUGE amount of interest in the First Shots program, but have had only a few registrants. If you know of someone who is new to shooting, or hasn't shot at all and would like to, please tell them about this great program. It costs them NOTHING! **Please help spread the word!** **The instructor tells us he will have to cancel if he doesn't get enough participants.**

“First Shots”, a program from the National Shooting Sports Foundation. There will be two First Shots events. The first, for rifle, is on **September 28th**. The second, for pistol, is on **October 19th**.

If you don't know what “First Shots” is, here is a link to the NSSF page for First Shots: <http://www.nssf.org/firstshots/> and the Facebook page is: <https://www.facebook.com/firstshots>. Essentially, First Shots is a way for people who want to experience firearms in a safe and controlled manner to attend a class, and then get to shoot. It's a fantastic way for people who haven't been around firearms to get familiar with them. A very worthwhile program.

Some clubs and ranges charge fees for First Shots, but we have decided that the club will absorb all the costs for this program. We want to make sure that everyone who wants to attend can attend. **YOU MUST SIGN UP IN ADVANCE!** Contact Darrell Moersch at lobo2754@highcountrymail.org.

ASRPA Arizona Defense Match – October 5th:

The Arizona State Rifle & Pistol Association (ASRPA) has created a new type of rifle match called "The Arizona Defense Match". This match is designed to simulate conditions the rifleman or rifewoman might encounter with the Arizona geography and conditions dealing with teamwork or working together to achieve proficiency with their rifles in a safe manner. It looks very interesting and like a lot of fun. There are a lot more details on the ASRPA webpage at:

http://www.asrpa.com/Education_and_Training/Defense_Match/defense_match.html.

Even if you aren't going to make this one, take a look at the information. Contact DON BORG at 928-337-4387 or 928-245-0222. He also needs volunteers to help with the shoot, so if you're free, give him a call.

Main Range Closed – October 5th:

**THE MAIN RANGE WILL BE CLOSED ALL DAY
OCTOBER 5TH FOR THE ASRPA ARIZONA
DEFENSE MATCH.**

There is not a berm separating the area where the AZRPA match will be held and the main range. For safety reasons, the Main Range will be CLOSED during the match. The shotgun range will be open and used by the Scholastic Clay Target Program, and the two groups of pistol bays will still be available for use. For details, contact Bowen Udall at bowen.udall@nasashootingsports.com.

Quit sending this to me!

If you don't want to have this sent to you, please reply and put **"Stop sending this to me"** in the message body. I will immediately take your e-mail address off the list of people to send it to. I hate getting e-mail that I don't want too!
